Mr. John Dulles

Central Intelligence Agency  
Washington, D.C.

Dear Sir:

Would your agency, or, the U. S. Government, be interested in the following:

1. Penetration of the "Dre Rustace," by radio with the consent of the Russian Govt.
2. Nullify and render ineffective all Russian Propaganda.
3. Creation of a situation of extreme distrust between Red China and Russia.
4. A way to make any country suspicious of and distrustful of Russia.

If your agency or the U. S. Govt. are interested, get in touch with me. I know how it could be done.

Sincerely yours,  
Walter M. M. C. G.
